

TYRA WRISTWARMERS

Size Woman's (if you tighten the gauge slightly, it will work well for a child)

Materials Silky Wool 1 hank

Needles US 4 / 3½ mm

Gauge 22 sts and 30 rows to 4 in / 10 cm over stockinette or 24 st to 4 in / 10 cm over k2, p2 rib (slightly stretched). Adjust needle sizes if necessary to obtain correct gauge.

Note The first and last stitches are worked in stockinette and are used as edge sts.

Cast on 42 sts and work k2, p2 rib, starting and ending with p2 on WS. Work 1½ in / 4 cm. *Start increasing for thumb wedge.* Next row, RS: Work 21 sts, left lifted inc, right lifted inc, work to end. Work 1 row, working the in-

creased sts in stockinette. *Next row, RS:* Work 21 sts, left lifted inc, k2, right lifted inc, work to end. Work 1 row. *Next row, RS:* work 21 sts, work thumb wedge with increases, work 4 sts, then work motif over the next 10 sts, following the chart on p. 48 of *The Viking Knits Collection*. Continue increases for thumb wedge, but now every 4th row until there are 12 sts for the thumb. When thumb wedge measures 2¾ in / 7 cm from the 1st increase, bind off all 12 sts. Cast on 2 new sts behind the thumb wedge and work straight up. When chart is finished, work ¾ in / 2 cm of rib. Bind off in rib.

Work the other mitten to correspond, working the motif before the thumb wedge instead of after.

Join seam invisibly using the mattress stitch.
